Extracting the dramatic tensions and intricate literary world from the original play of **Thunderstorm**, the creative trio delves into the innermost thoughts of the characters. While the day in bright sunlight is yet to come, the creation stands as a far cry to reverberate the rebellious spirit inherited across the youth of every generation.

- **Dunhuang Reflections – Grand dancing poetry** (ticketed performance)

Date / Time: 7:30 pm, 21 December 2019

3 pm, 22 December 2019 * With Post-show Talk

Venue: Auditorium, Yuen Long Theatre

About the Show:

Inspired by the Dunhuang mural paintings, the choreography reinterprets the historical treasure in the light of contemporary aesthetics. Postures appearing in the realm of Dunhuang are presented in front of the audience through the dance, dancers’ bodies and countenances, fusing with stage effects and flamboyant costumes. All these combine to achieve a grand dancing poetry that emphasizes both aesthetics and visual pleasure. While the audience will be amused by the fusion of present and past derived from the aesthetics of Dunhuang, they will also share with the dancers a philosophical inspiration about life.
